- Staff are exploring the feasibility of expanding the WPCOG office to accommodate the growth of the organization. We have only a few vacant offices for new positions. A conceptual plan will be presented at a later date for board consideration.
- Staff appreciates the board's participation and guidance for the development of a strategic plan. SERDI is finalizing the assessment report and staff are working on the next step, a short document that will serve as the strategic plan.
- WPCOG is assisting the City of Conover with their manager search.
