SCOPE OF PROPOSED SERVICES

Instructions: Complete this table for the targeted population group/groups you plan on serving in the project. Put N/A if the population is not a target in this project. Definitions of each of these populations is included in Appendix A of the 5310 Overview.

	Elderly	Disabled
How many of the targeted population live in the area you propose to serve?		
Of the number listed above, how many have the unmet transit need your project addresses?		
How many people with the unmet transit need will you serve through this project?		

STEP 4: DETERMINE IF PROJECT IS 'TRADITIONAL' OR 'OTHER'

For this step, applicants must decide if their project is a Traditional Section 5310 Project or whether it fits the criteria of an Other Section 5310 Project. Descriptions of these two categories of funding within the 5310 Program and examples of eligible expenses are found in the 5310 Program Management Plan. The 5310 Program Management Plan and Program Overview may be found at [GHMPO - 5310](#).

Applicants should ONLY complete the questions from the appropriate category(ies). The GHMPO will use the answers the applicant provides to determine whether the project is worthy of funding. The details are important and applicants should provide detailed answers to these questions.

Traditional Section 5310 applicants should complete step 4A, while Other Section 5310 applicants should complete step 4B.

STEP 4A: TRADITIONAL SECTION 5310 PROJECTS DESCRIPTION

- 1. Provide a 2-3 sentence description of your proposed project or service.

Answer:

- 2. Describe the intended service area that will benefit from your proposed project. Include pertinent demographic information about the service area in your answer. It should be clear from your description whether your project’s targeted population lives in the Greater Hickory Metro Area.

Answer:

- 3. Describe the mobility options the seniors and/or individuals with disabilities in this service area have now and discuss how these are insufficient and/or inappropriate. If public transportation is unavailable to the targeted populations, how are they getting to life-sustaining, social and recreational activities without it?
