Invest in yourself and your family!

Set Goals

Gain Financial Stability

Earn Money

As a Section 8 family you have a unique opportunity to participate in a program designed especially for you.

The REACH program:

- Provides an **opportunity** for you to improve your personal financial situation.
- Connects you with **resources** in your community that will help you become more knowledgeable and independent.
- Gives you case management **support** to help you achieve your goals related to employment, education, finances or even homeownership.

The REACH Coordinator will work with you and your family to set goals and identify the steps needed to achieve those goals. You will receive the guidance, resources and support you need to move toward economic independence.

I needed motivation and help to stick to my goals. Now I have a degree, a full-time job and no longer need Section 8.

- Graduate of FSS

FSS has given me something to work toward.

- Current FSS Participant

I recommend FSS because it has helped me go back to school and with budgeting.
